

build/core/graph_image.cpp

```
graph TD; A[build/core/graph_image.cpp] --> B[core/core.h]; A --> C[list]; A --> D[math.h];
```

A diagram illustrating the dependencies of the file `build/core/graph_image.cpp`. The top node is a gray box containing the text `build/core/graph_image.cpp`. Three blue arrows point downwards from this box to three separate white boxes below it. The left box contains `core/core.h`, the middle box contains `list`, and the right box contains `math.h`.
