

build/core/int\_images.cpp

```
graph TD; A[build/core/int_images.cpp] --> B[core/int_images.h]; A --> C[math.h]
```

The diagram illustrates the dependencies of the file `build/core/int_images.cpp`. It is represented as a box at the top, with two arrows pointing downwards to two other boxes: `core/int_images.h` on the left and `math.h` on the right.

core/int\_images.h

math.h
